UNIVERSITAS GADJAH MADA
SEKOLAH PASCASARJANA
PROGRAM STUDI MAGISTER MANAJEMEN PENDIDIKAN TINGGI

The **Master in Higher Education Management (MMPT)** program at **Universitas Gadjah Mada (UGM)** is a graduate program focused on developing managerial capacity and strategic leadership in the context of higher education. The program is designed to equip professionals with the necessary knowledge and skills to effectively and ethically manage higher education institutions.

The official MMPT UGM website provides comprehensive information about the curriculum, tuition fees, admission procedures, as well as academic and extracurricular activities that support student competence development. The program is also actively engaged in international collaboration and participates in various academic forums to enhance the quality and relevance of its education.

For more information, visit the official website: <https://mmpt.pasca.ugm.ac.id>
